PORCUPINE
61

Here between the covers of this book lie a year of your life, a year of work, of study, and of fun.

This edition of the "61 Porcupine" was made possible by the combined effort and cooperation of administrators, teachers, advertisers and students.

This book has caught the eyes of people here and there and we hope that in oncoming years the activities of this school year at Springtown High School will not be dimmed and will not fade from memory.

The annual staff of 61 sincerely hope that some of your memories have been captured among these pages of this yearbook. And if in later years, while you are turning through this book, a smile, a heartache, or dream is recalled, we shall be content, knowing that we have done our job.

DEDICATION

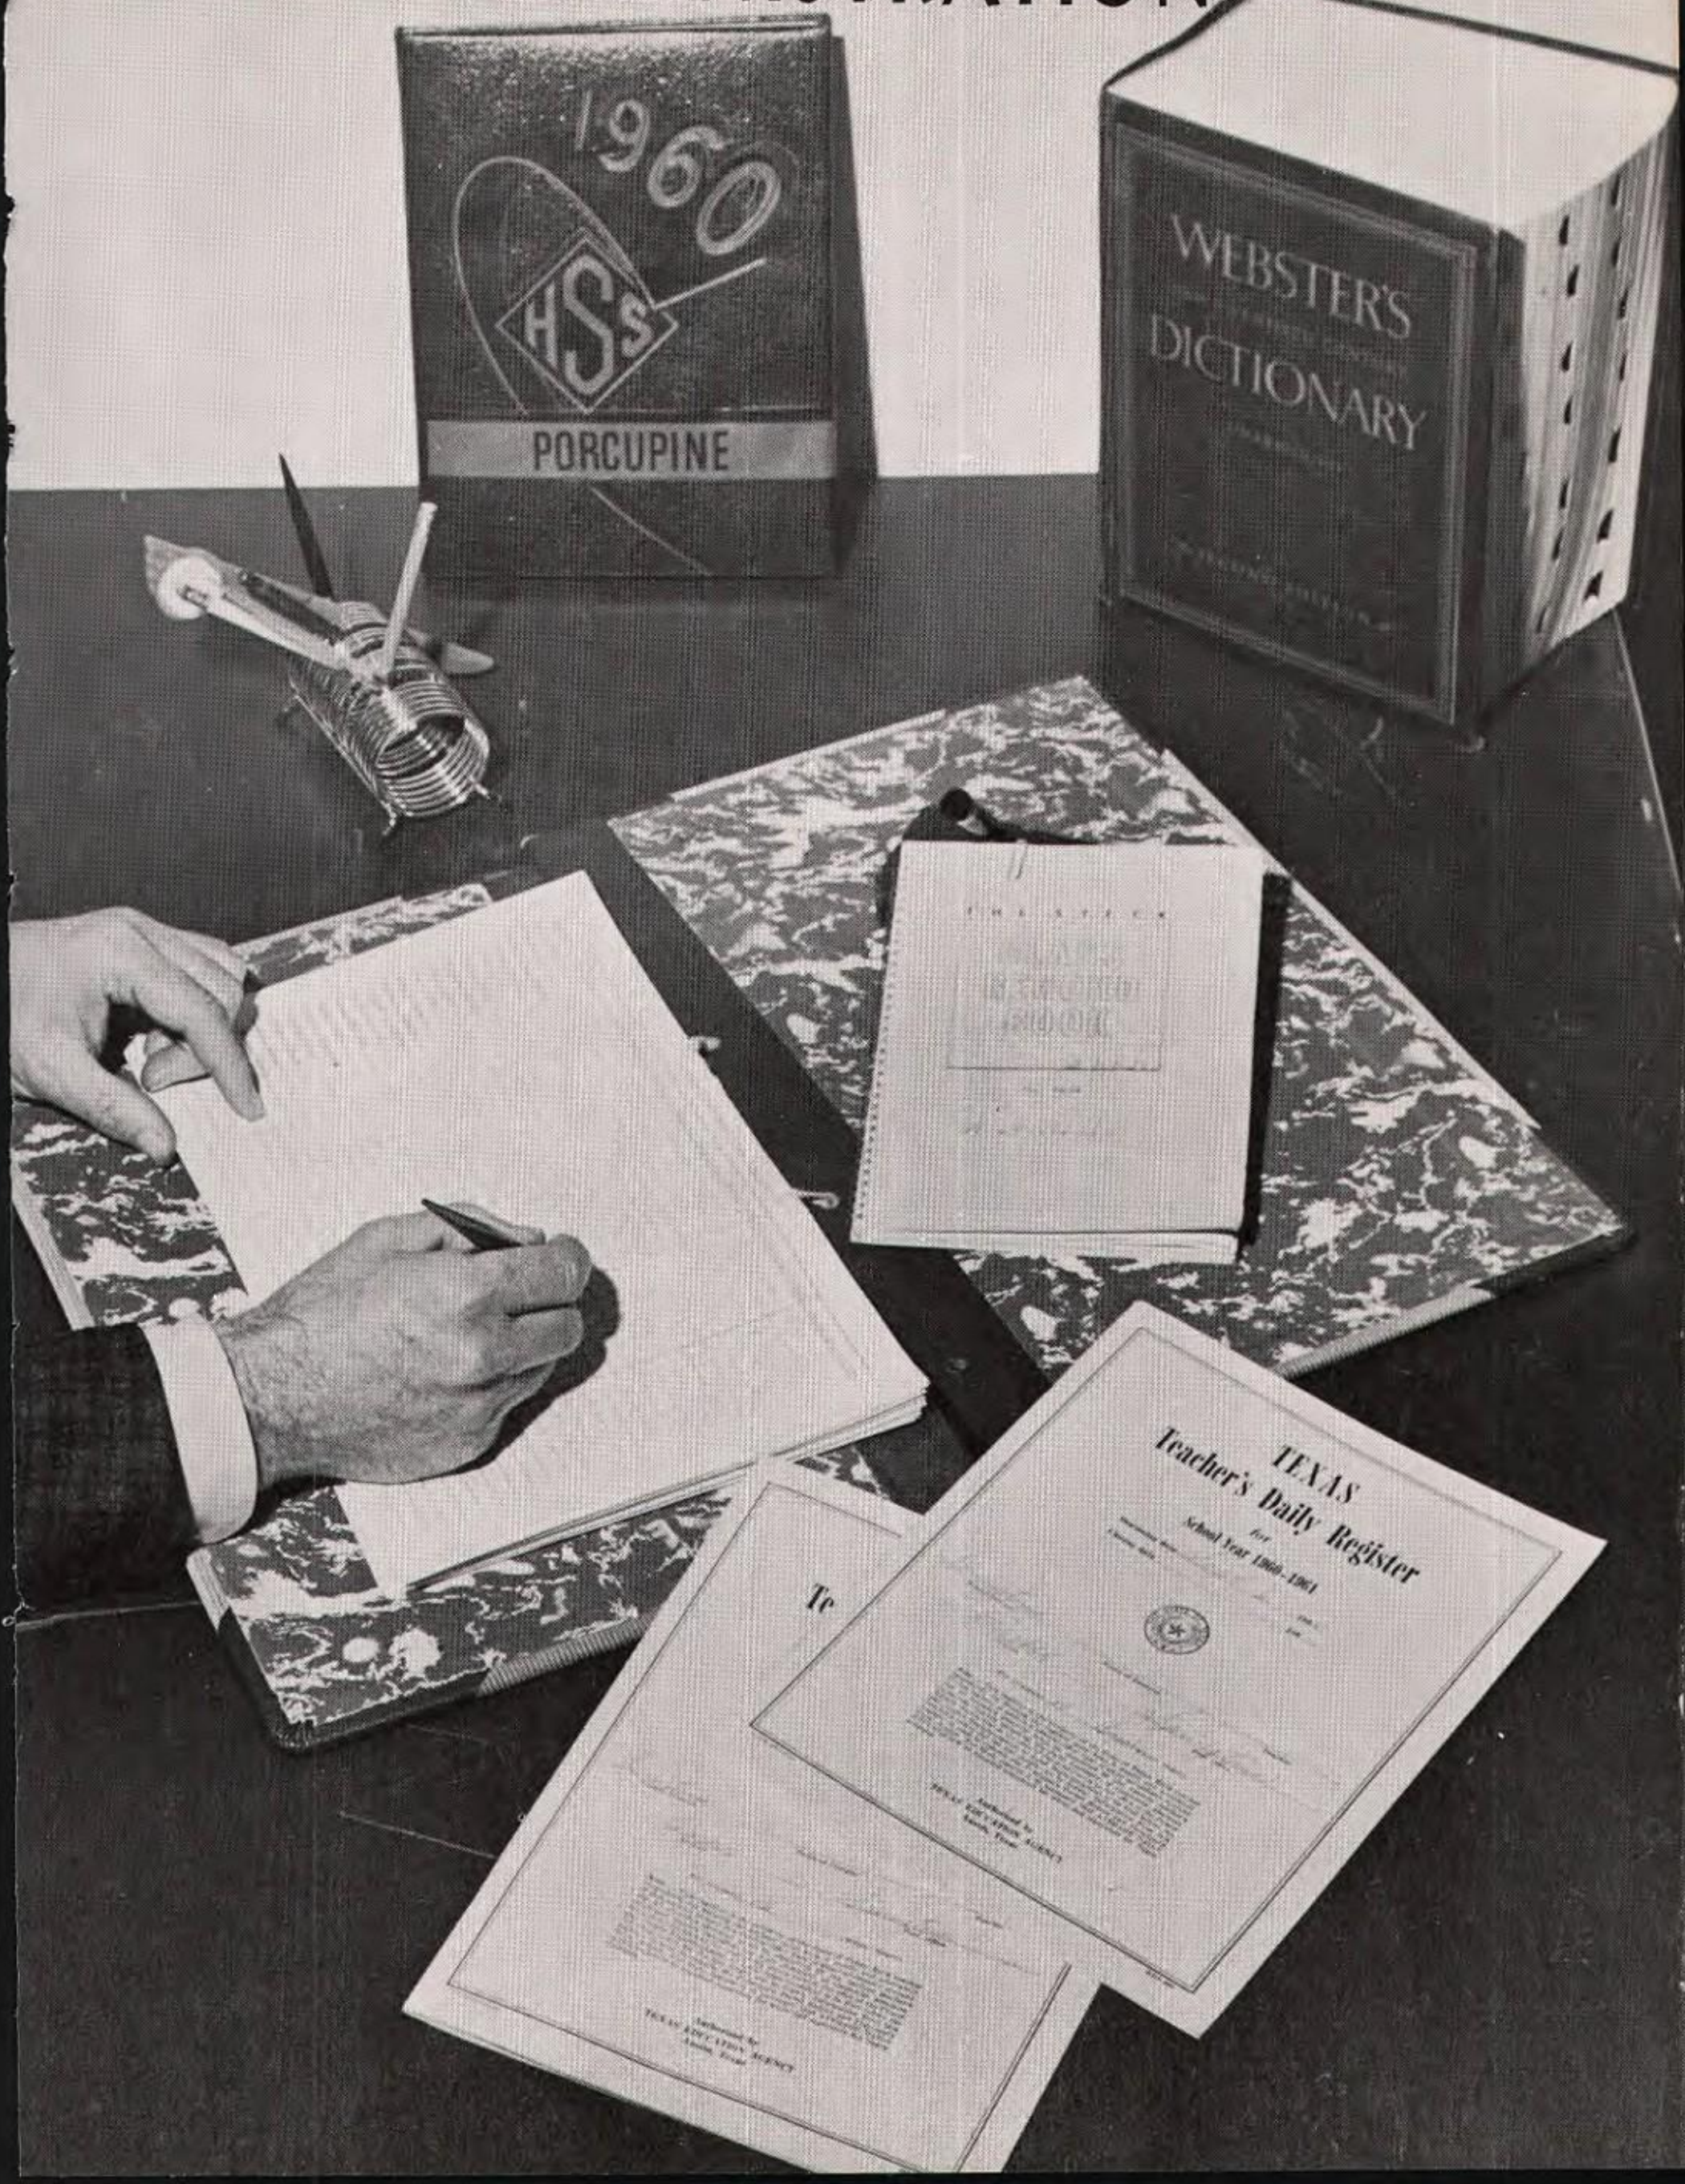
We, the Annual Staff of 1961, proudly and respectfully dedicate this yearbook to MRS. MARY HOOD.

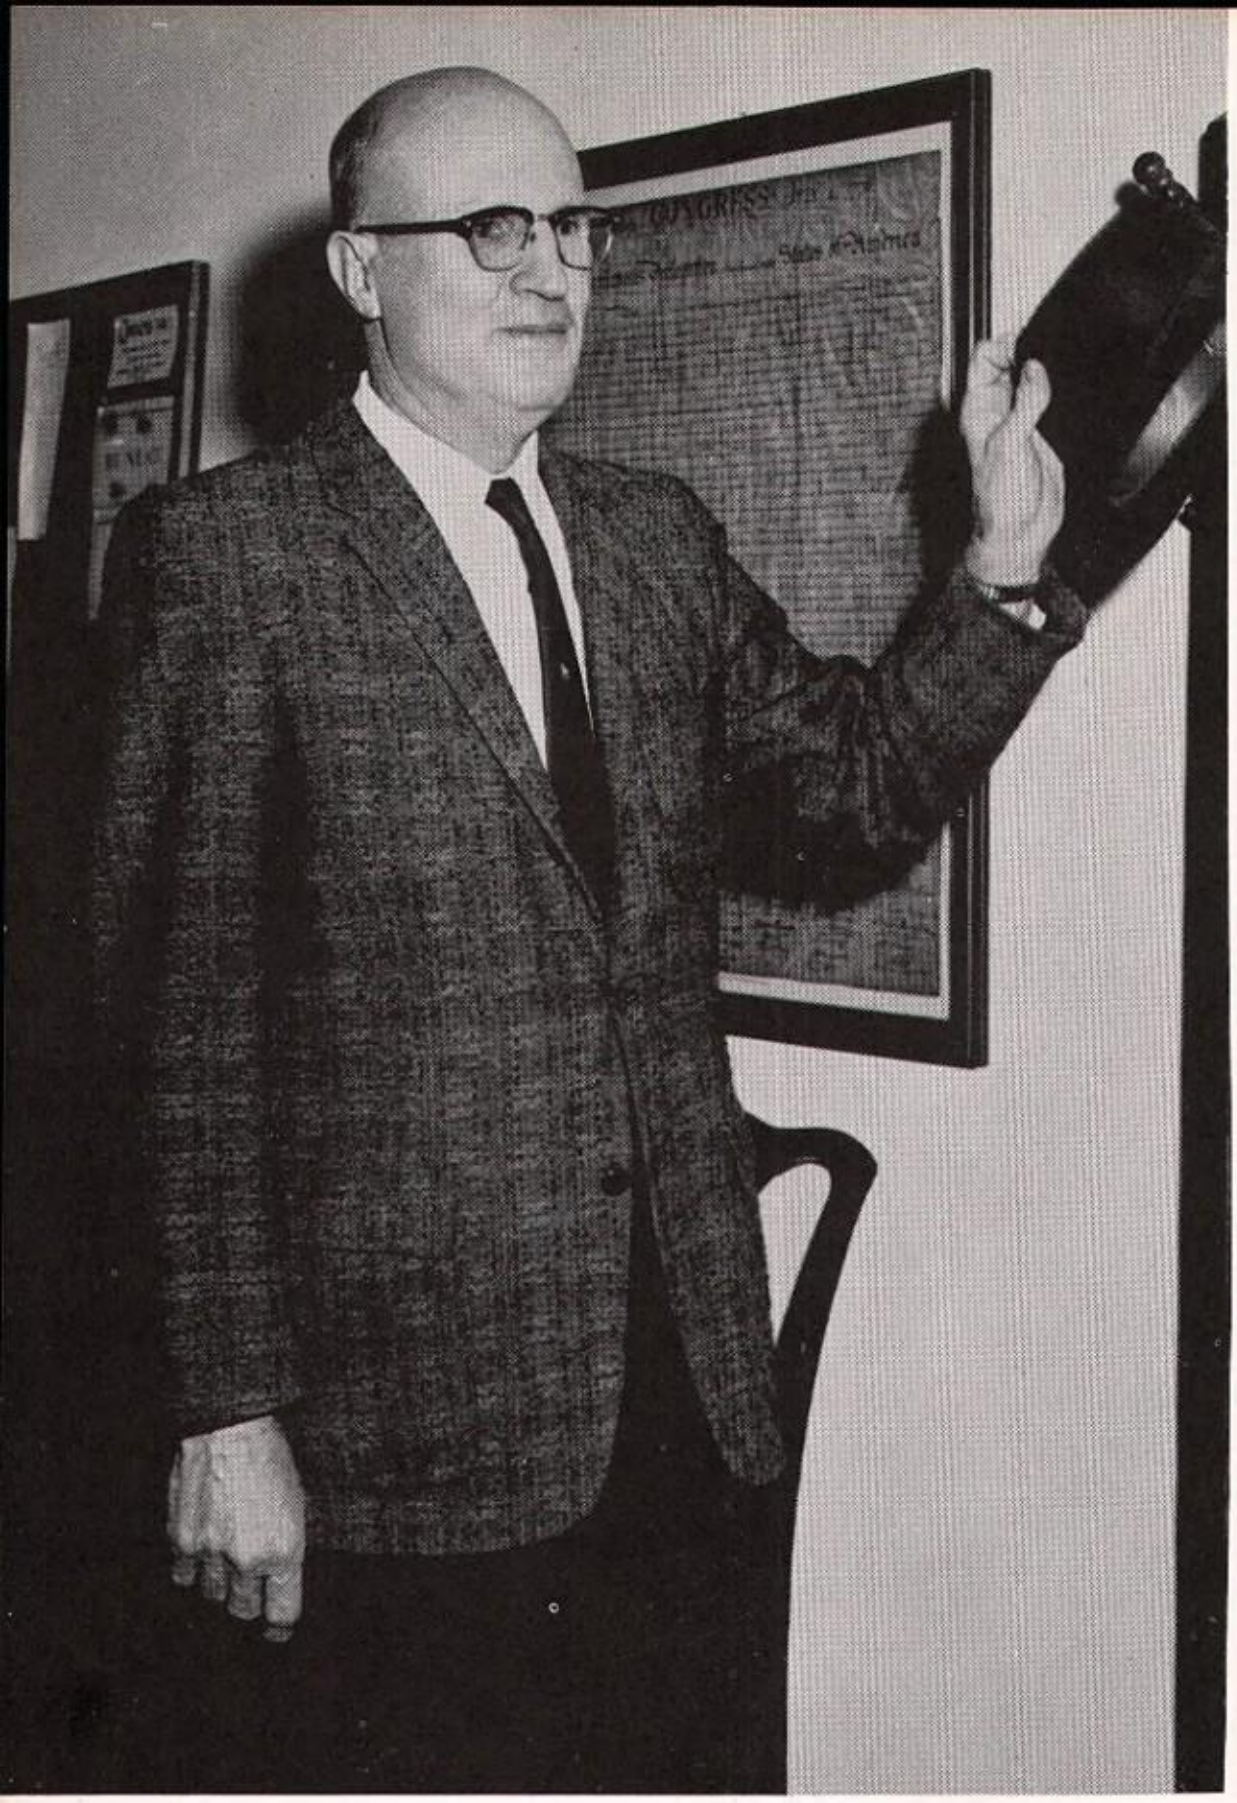
She has not only built character in her students, but has also built a pathway of education that enables each student to reach his goal.

For these and all the things which can not be said with words, we dedicate this annual to you, MRS. MARY HOOD.

We only wish it could be more.

ADMINISTRATION





SUPERINTENDENT'S MESSAGE

To the Students of Springtown High School:

WHILE YOU ARE IN SCHOOL

Most of us find out too late that we have muffed many a chance to prepare for the future. Too many young people complete their education with no place in particular to go and with little or no meaning in their lives. To our young people, I would say that you are not too young nor too old to decide where you are going.

Sincerely,

J. Frank Young

OUR HIGH SCHOOL PRINCIPAL

TO SENIOR CLASS

I think you know I am a rooter of yours from way back. So it gives me real pleasure to be able to say congratulations.

My best wishes go to you for continued success.

SR. - 2 YR. LETTERMAN

The 1960-61,, Springtown Porcupine Girls' Basketball Team had a fairly successful season. In district competition, they won 5 out of 12 games. The team's ability improved this year, since the schedule provided for after school workouts.

Kathy Newby and Molly Oxford were captains this season. Molly was high-point in almost every game, and, although Kathy's ability cannot be expressed by points, the fact remains that she was the only Springtown girl chosen for All-Tournament in the Springtown Holiday Tournament.

Connye Strickland was dependable and hardworking in her role as manager, and Ruthanne Jackson was the competent score keeper for both boys and girls. James Boynton, coach, was greatly appreciated for his skill and patience as he worked with the girls.

SPRINGTOWN 41 - ALVARADO 30

For the first district game, the girls played exceptionally well and had an easy victory. By the half, every player had participated in the game. The guards ability is shown by the fact that only two Alvarado girls were able to do any scoring in the whole game.

SPRINGTOWN 26 - BRIDGEPORT 22

The game with Bridgeport was a hard-fought victory. We were behind until the final few minutes of the game when the team received a renewed burst of energy and broke into the lead.

SPRINGTOWN 30 - MIDLOTHIAN 34

We were faced with our first defeat in District Competition. Springtown was holding its own until the third quarter when only four points were scored and these by Judy.

SPRINGTOWN 24 - BOYD 38

Springtown was out-classed by Boyd. Both teams fought hard, but Boyd seemed to be just a little bit better.

SPRINGTOWN 38 - KELLER 33

Although our girls could easily beat Keller, they were over-confident and at the end of the first quarter, we found ourselves behind. Between quarters, Coach Boynton had a little talk with the girls, and they returned to the floor with a determined look on their faces. From then on, they played better ball and won.

As the score shows, Springtown was not playing its best game, and besides had met a tough opponent. Although Burleson has a beautiful new gym, the boundary lines were very confusing and our girls were continually walking over the wrong ones, thus losing the ball.

SPRINGTOWN 48 - ALVARADO 25

In this, our fifth district game, Springtown easily walked over Alvarado. Every member of the team played, and every forward scored! The guards were quite good, and the whole team played its best game in a long time. This was also a game of wonders. For the first time in their lives, Marie and Barbara drove for lay-up shots. To top it all--they made them! Coach Boynton almost fell off the bench! Another extra-the team had a small number of fouls.

SPRINGTOWN 0 - MIDLOTHIAN 1
(FORFEIT)

SPRINGTOWN 44 - BURLESON 52

The girls worked hard but were beaten by their fouls. The starting guards all fouled out, but the rest of the team had their share, too. Burleson hit a large per cent of their free-shots.

SPRINGTOWN 26 - KELLER 24

The girls were behind until the fourth quarter when they rallied to win the game.

The whole team with the exception of Kathy Newby will be back next year. They should have a very good team and a victorious season.

We started the season off with a team destined to win district. We entered three tournaments during the course of the season. In the Weatherford and Stephenville tournaments, the team was in the midst of a long slump. The Porkys lost one game by 4 points in an overtime, one by 5 points, and one game by 9 points. We were proud of Marshall Lowe, a Senior who made all tournament in the Springtown Holiday Tournament. The team will lose 4 players off the next year's team, but the remaining players coming back will be good ball players and will have another good year coming up. We made a good record this year which was 10 wins and 2 loses. We take pride in this year's team which was greatly helped by coach Boynton's great patience and excellent training.

PORKYS 35 - ALVARADO 18

For the first district game the boys played fine ball, and found it very easy to win as they played good defensive ball and didn't allow Alvarado to score in the fourth quarter.

PORKYS 42 - BRIDGEPORT 44

This was a hard game all the way through with the Porkys in the lead the first half, but Bridgeport came in to tie us at the end of the game. In the overtime it was still a hard fight with our being beat by 2 points. A few weeks later we found that one of the Bridgeport players was ineligible and a protest won the decision for us.

PORKYS 52 - MIDLOTHAIN 26

We played great defensive ball against Midlothian. Only three of their players scored.

PORKYS 52 - BOYD 31

This was one of the Porkys easiest games of the season, and with everything that night in our favor.

PORKYS 64 - KELLER 58

Our boys were over confident and we almost let Keller get the best of us. Keller was hitting well and Springtowns defense was weak.

At the end of the first half of the season we had a 4-2 won-lost record, and were tied for second place with Midlothian. Alvarado furnished the competition for the first win of the 2nd. half of district play for our boys.

PORKYS 45 - BRIDGEPORT 37

Meeting the Bullies for our second go round, we were ready to win this game after being defeated by them before. After a hard fought battle we won the game.

PORKYS 85 - BOYD 42

This was one of our team's highest scoring games of the season. Everyone on the team played a fine game and racked up the points.

PORKYS 41 - KELLER 38

With the season coming close to an end, we played a very fine heads-up ballgame against Keller. It was a close game all the way through.

PORKYS 41 - MIDLOTHIAN 42

Our boys received their greatest disappointment of the year by losing this game by one point on an official error. They showed their tremendous team spirit and gave the game all they had. This is one of those games that will never be forgotten.

PORKYS 53 - BURLESON 44

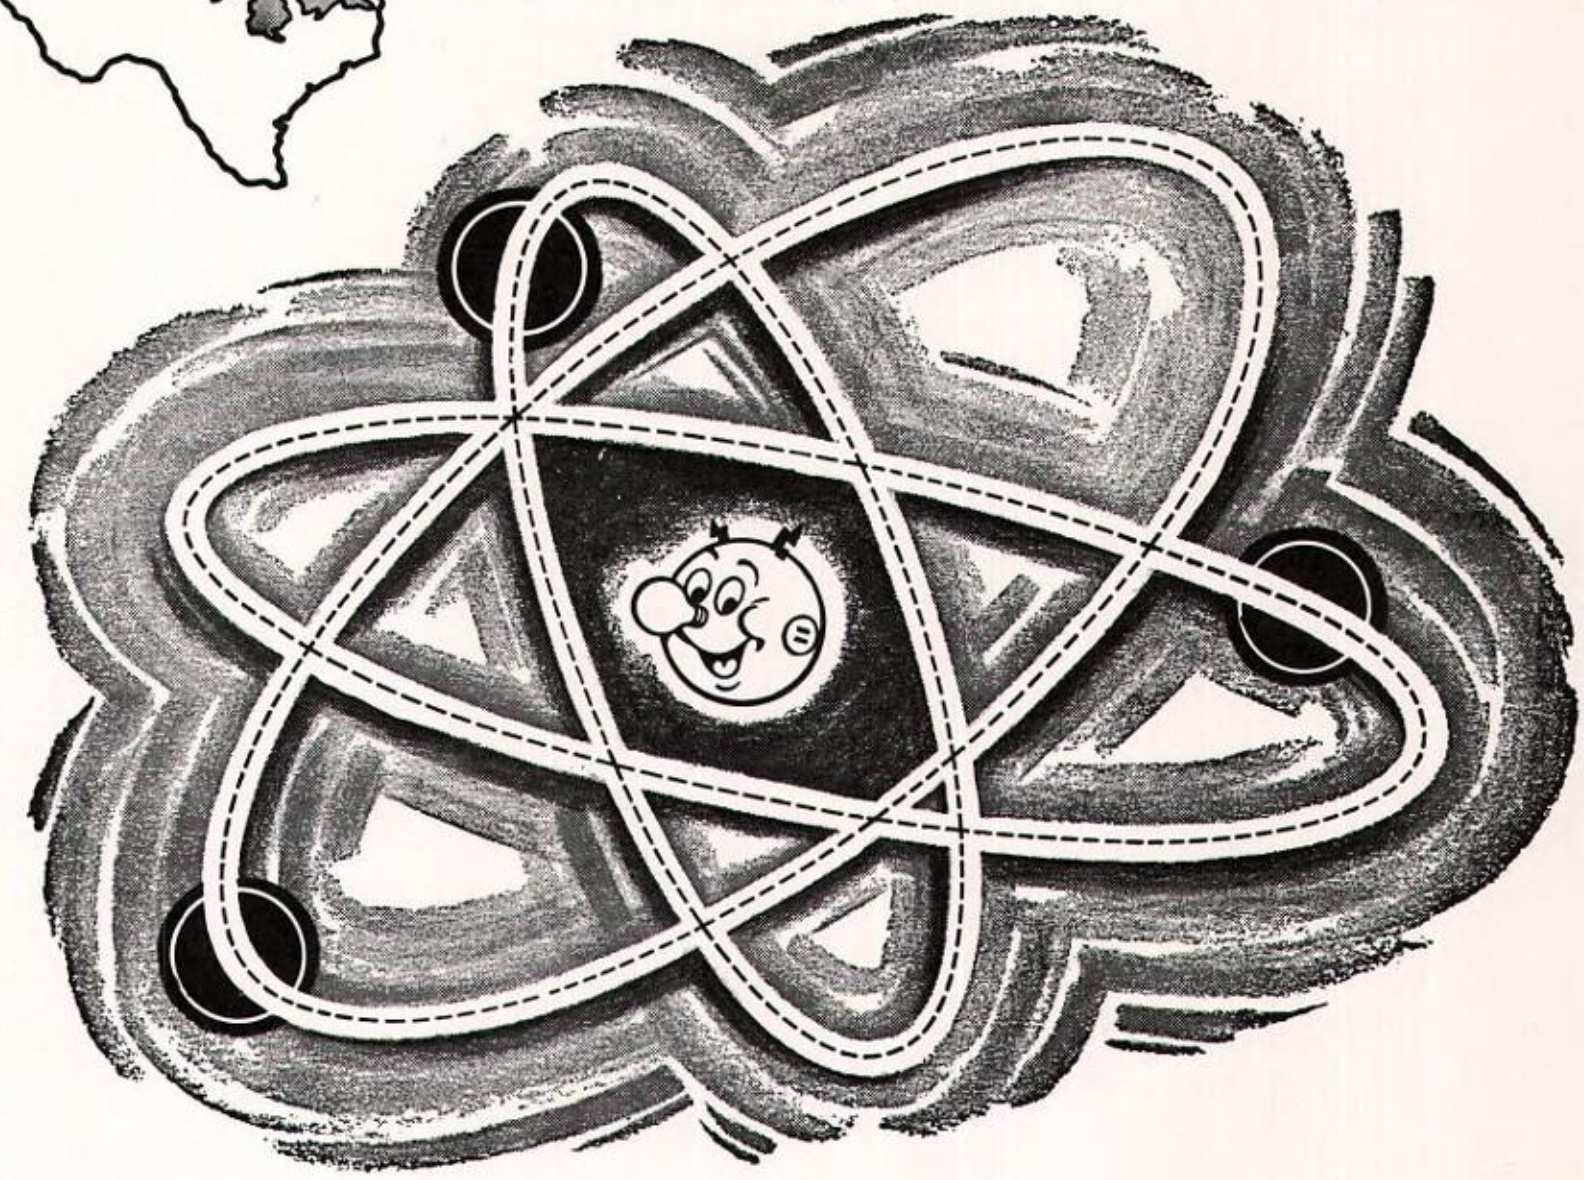
PARTNERS IN TEXAS PROGRESS



PLANNING FOR THE ATOMIC FUTURE

To assure you ample, low-cost electric service at all times, Texas Power & Light Company is constantly planning ahead.

This planning includes research to find ways to use atomic energy efficiently and economically in the production of electricity.

At the present time, the use of atomic energy as a fuel for producing electricity in this area is not feasible or practical because of its high cost in relation to use of the vast resources of natural gas and other fuels.

Looking to the future, however, TP&L and ten other electric companies in Texas, comprising the Texas Atomic Energy Research Foundation, are co-sponsoring with General Dynamics a research program concerning the use of atomic energy. In addition to participating in this joint effort in thermonuclear research, TP&L employs a full-time nuclear research scientist.

This is an example of free enterprise at work. Texas Power & Light Company, a business-managed, investor-owned, tax-paying electric utility, pledges continued efforts and planning to provide you with dependable electric service at the lowest possible cost.
